EMPLOYMENT HISTORY

Senior Manager, WFS Sales Enablement

March, 2025 - Present

Walmart

Bentonville, AR

- Redesigned Marketplace logistics enablement strategy by shifting from competing program-focused motions to a lifecycle-based framework that aligned fulfillment solutions to seller needs, improving organizational alignment and seller outcomes.
- Partnered with category leadership to identify barriers to Walmart Fulfillment Services adoption, securing VP sponsorship for the organization’s first mandatory capability initiative and contributing to the team exceeding annual WFS goals.
- Simplified and automated a low-adoption intake process, reducing workflow complexity from 20 steps to 6 and eliminating unnecessary administrative effort through process redesign and automation.
- Established the first comprehensive measurement framework for Sales Enablement, creating Operations, Productivity, and Performance dashboards to provide executive visibility into team health, workload capacity, project delivery, and associate engagement.
- Rebuilt content governance and quality standards, implementing stakeholder review processes and accountability mechanisms that increased confidence in the team's work and earned recognition from Marketing and Seller Education leadership.

Director of Retail Learning and Product Training

February, 2022 – March, 2025

Samsung Electronics America

Plano, TX

- Led learning strategy and capability development initiatives supporting 120,000 U.S. associates and 70,000 international learners across retail, carrier, and partner channels.
- Rebuilt stakeholder confidence in the learning organization by implementing governance processes, quality standards, and multi-stage review mechanisms that improved launch execution, increased organizational trust, and prevented outsourcing of learning design functions.
- Directed a \$3.2M budget and enterprise learning portfolio, aligning investments to strategic business priorities while improving training reach by 43% and key performance indicators by 37%.
- Developed scalable onboarding, readiness, and certification programs that accelerated time-to-productivity and supported enterprise-wide product launches and organizational change initiatives.
- Led cross-functional partnerships across Sales, Marketing, Product, and Operations to align learning strategies with business objectives and drive measurable performance improvement at scale.

Senior Manager, Learning Strategy and Content Design

Feb 2021 - Feb 2022

Samsung Electronics America

Plano, TX

- Developed and scaled capability-building programs supporting 92,000 employees, increasing engagement by 35% and reducing ramp-up time by 40% through targeted onboarding and continuous learning strategies.
- Built and led a cross-functional team of 15 employees, improving resource utilization, operational efficiency, and learning effectiveness through standardized processes and performance management.

- Introduced innovative learning technologies, including AR/VR-based experiences, reducing product training time by 30% while improving knowledge retention and execution quality.
- Established learning measurement and readiness frameworks that increased certification completion rates by 22% and improved visibility into organizational capability development.
- Partnered with Sales, Marketing, and Product teams to develop performance-focused learning solutions that improved seller confidence, customer engagement, and business results.

Contact Center Manager, Small & Medium Business Sales

July 2020 – February 2021

T-Mobile for Business

Irving, TX

- Led a remote organization of 56 employees through 8 frontline leaders, overseeing service levels, productivity, employee engagement, and business performance across a customer support and sales operation.
- Directed the transition from a support-only model to a sales and support operating model, increasing acquired accounts from approximately 400 per quarter to more than 1,200 in a single month.
- Standardized operating procedures, tool utilization, coaching expectations, and inspection routines to improve execution consistency, accountability, and performance in a remote environment.
- Developed data-driven coaching and performance management frameworks that improved productivity, employee engagement, and customer outcomes across more than 11,000 business accounts.
- Led organizational change through merger integration and pandemic operations, maintaining business continuity and workforce effectiveness during periods of significant transformation.

Senior Regional Manager, Learning & Development

July 2018 – July 2020

Sprint

Irving, TX

- Led capability development initiatives supporting more than 5,500 employees across a multi-state region, aligning learning strategies with business priorities and operational performance goals.
- Transformed organizational accountability by shifting success measures from training completion metrics to business impact, increasing field engagement and improving performance outcomes.
- Designed and implemented coaching frameworks that drove IoT sales performance to more than 200% above national benchmarks while improving manager effectiveness.
- Established a measurement framework to evaluate learning effectiveness, using performance data and business outcomes to prioritize investments and continuous improvement efforts.
- Developed regional training talent through targeted coaching and capability-building programs that generated more than \$900,000 in additional sales within 90 days.
- Developed sales trainers through targeted upskilling program, achieving \$900,000 in additional sales in 90 days.

Call Center Manager – Inbound Sales

July 2017 – June 2018

American Home Shield

LaGrange, GA

- Led a team of 15 inbound sales professionals, driving performance across sales, service level agreements (SLAs), quality, and average handle time (AHT) metrics in a high-volume contact center environment.
- Developed and implemented coaching and performance management strategies that improved associate effectiveness, customer interactions, and sales execution while maintaining operational standards.
- Utilized call monitoring, quality evaluations, and performance analytics to identify skill gaps, deliver targeted coaching, and improve individual and team results.
- Balanced productivity, customer experience, and sales objectives by establishing clear expectations, accountability mechanisms, and consistent inspection routines.
- Partnered with cross-functional leaders to support operational initiatives, process improvements, and workforce readiness efforts that enhanced team performance and service delivery.

Human Resources Business Partner

January 2016 – May 2017

Verizon Wireless

Peachtree City, GA

- Led succession planning for 27 stores, boosting internal promotions by 15% through development plans.
 - Collaborated with local and district managers to align talent programs with growth goals, enhancing skill-building efforts.
 - Coached leaders on performance management, enhancing team accountability and goal-setting strategies, leading to 12% improvements in overall team performance ratings.
 - Managed complex employee relations cases, ensuring fair handling of performance issues and policy compliance, reducing issues by 10% with fair disciplinary actions and alignment.
 - Spearheaded strategic learning initiatives for 5,500 employees, aligning with commercial team objectives and driving measurable improvements in sales execution.
-

- Championed DEI efforts by revamping leadership pipelines and collaborating on equitable hiring practices, fostering a more inclusive workplace culture.
- Engaged cross-functional leaders to design innovative training solutions, fostering alignment between onboarding programs and commercial strategies.

District Trainer

October 2013 – January 2016

Verizon Wireless

Columbus, GA

- Led district-wide training initiatives, enhancing team performance and customer satisfaction. Developed innovative learning programs, resulting in improved sales metrics.
- Fostered a culture of continuous learning, partnering with managers to identify skill gaps. Implemented targeted training solutions, boosting overall team effectiveness.
- Pioneered blended learning approaches, combining digital and in-person training methods. Created engaging content that resonated with diverse learning styles.
- Mentored and coached team members, facilitating professional growth and career advancement. Provided ongoing support to ensure successful implementation of new skills.
- Developed and facilitated blended learning programs, aligning training content with situational leadership principles and team development goals.

General Store Manager

June 2012 – September 2013

Verizon Wireless

Auburn, AL

- Led a team of 15 to exceed sales targets by 35%, shifting the store from a Tier 3 to Tier 1 location, while enhancing customer satisfaction and loyalty through >90% NPS.
- Implemented strategic inventory management, reducing stock shortages by 8% and boosting sales.
- Developed training programs for new hires, ensuring consistent service quality and team growth.
- Resolved customer issues swiftly, maintaining a high level of service and repeat business.
- Coached and developed three middle managers to reach sales targets without negatively impacting staff morale, measured through
